For Nebraska State Bar Association
Members and Their Families

20 YEAR LEVEL TERM LIFE INSURANCE FEATURES AND HIGHLIGHTS

Here is term life insurance you can depend on for a full 20 years, with premiums expected but not guaranteed to remain level for the entire 20 year term period. You can renew coverage up to age 75, subject to all termination of coverage provisions. Available to NSBA members and lawful spouses under age 55, the Group 20-Year Level Term Life Insurance helps you protect your family from the financial burdens of your or your spouse's premature death. Your renewal is guaranteed until age 75, (See "When Coverage Ends"). You can select a coverage amount to help meet your needs, from $100,000 up to $1,000,000. The Policy features "Preferred" and "Standard" Non-Smoker Rates and you can benefit from volume discounts when you apply for higher amounts of insurance.

ELIGIBILITY

Members of the Nebraska State Bar Association under age 55 who are actively at work may request coverage for themselves and their lawful spouse under age 55. In order to become insured, individuals must provide satisfactory evidence of insurability and the required premium must be paid.

A dependent who is also a member is eligible for either member or dependent coverage, but not both. If both the member and spouse are covered as members, neither may insure the other as spouse.

This coverage is <u>available only</u> to residents of AL, AZ, CA, GA, HI, IN, IA, KS, MA, MI, NE, NV, NJ, OK, PA, RI, TN and Puerto Rico.

APPLY FOR UP TO $1,000,000 OF COVERAGE

Choose the amount of Group 20-Year Level Term Life Insurance you need to help protect you and your family for the next 20 years.

Amounts Of Insurance:

Members–$100,000 to $1,000,000 in $1,000 multiples.

Spouse–$100,000 to $500,000 in $1,000 multiples, not to exceed 100% of member's coverage.

In addition, the total amount of coverage an individual may have under all policies issued by New York Life Insurance Company to the Trustee of the Qualified Associations and Organizations Trust may not exceed the maximum benefit option for any insured person.

FEATURES

Secure the policy's most beneficial rates if You're a Qualified Non-Smoker

Non-smokers meeting the highest underwriting standards may qualify for the policy's most attractive rates. Other nonsmokers may qualify for higher, but still specially-negotiated rates.

Continuing Insurance After the **20**-Year Term Ends

Premiums are expected but not guaranteed to remain level for the first 20 years of coverage. At the end of the 20-year period, you may reapply for the 20-year level term rates then in effect, for a subsequent 20-year period, provided the insured person is under age 55 and otherwise eligible. If your application for a subsequent 20-year term is approved, your premium contribution will be based on the insured's person's age, health and tobacco/nicotine use at the time coverage becomes effective for a new 20-year term.

If you and your spouse are not approved for a subsequent 20-year term or you do not apply for a subsequent 20-year term, coverage will continue in force on a non-guaranteed rate basis, to age 75 under which premium contributions increase as the insured ages. Coverage will end earlier if the group policy ends, insurance for your class ends or you fail to pay the premium.

Help Keep Your Cost Manageable

Rates have been provided on an annual basis per $1,000 of coverage. Two modes of payment are available to suit your budget: semiannual billing; and our semiannual or monthly Electronic Funds Transfer (EFT) option (your cost would be approximately one-half or one-twelfth, respectively, the amount you calculate from the rate chart.)

OTHER IMPORTANT INFORMATION

Valuable Living Benefit Provision "Accelerated Death Benefit"

The "Accelerated Death Benefit" option is available to help terminally ill insureds during a difficult and often financially challenging time. Under this provision an insured, under age 70 may request one advance payment equal to 60% (maximum of $250,000) of your (or an insured spouse's) in force life insurance to be paid while the terminally ill person is still alive. The amount of insurance payable after the insured's death will be reduced by this payment. (Premium contributions will not be reduced.) This money can be used to help cover high prescription drug costs...medical bills...outstanding debts...to help pay for experimental treatments...the cost of modifications to your home...or for a family vacation-the choice is yours.

To qualify, a terminally ill insured must provide New York Life Insurance Company with proof of terminal illness and anticipated life expectancy (12 months or less), as well as any other necessary medical information requested. For additional details and limitations, please see the Certificate of Insurance.

Please note that receipt of Accelerated Death Benefits may affect your eligibility for public assistance programs and may be taxable. Prior to applying to receive such benefits, you should consult with the appropriate social services agency and seek the advice of a qualified tax advisor.

Exclusions

Coverage is payable for death by any cause except death from suicide during the first two years of coverage, whether sane or insane, for which the only benefit payable is the return of applicable premium contributions. The validity of any amount of your life insurance which has been in force for two years during an insured's lifetime will not be contested except for insurance eligibility provisions and non-payment of premium contributions.

You Name Your Beneficiary

You may select any person, persons, trust or other legal entity as your beneficiary. If, at the time of your death, there are no surviving beneficiaries, benefits will be paid to the executor or administrator of your estate, or at the option of New York Life Insurance Company, to the owner's surviving relatives in the following order of survival: spouse; children equally; parents equally; or brothers and sisters equally.

Effective Date

Insurance will take effect on the date your application is approved by New York Life Insurance Company provided the initial contribution is paid when due (send no money now) and any person to be insured is actively performing the normal activities of a person in good health of like age on the date of approval. Any person who is not performing his/her normal daily activities as required will not become insured until the day he/she is performing such activities, and the person is still eligible.

When Coverage Ends

Coverage will end when the insured person reaches age 75. Coverage will end earlier if: (a) premium contributions are not paid when due; (b) membership in the NSBA ceases; (c) the group policy is terminated or modified by the Policyholder to end insurance for the group of insureds to which the member belongs; (d) if the insured requests to terminate insurance; (e) for the insured spouse the last day of the insurance period during which the insured spouse ceases to be the lawful, married spouse of the insured member.

Renewal Payments And Claims

Once your application is approved, you will have a 31-day grace period for your payment of renewal premium contributions. When you want to submit a claim, call or write the Administrator for claim forms.

TO APPLY

Consider Your Eligibility

Before you request coverage, you must be a member in good standing of the NSBA. If you have any questions regarding membership, please call the association directly at 1-866-236-6582.
